Out of Town/State Information

In the spaces below, please provide the out of town address information that you want to appear in the Willowbend Community Association's directory on the Web site (<http://www.willowbendcommunity.com>). On the Web site, there are 3 versions of the directory, one for the public, one for the Willowbend residents and owners, and one for the administration (Board of Directors, Web committee). The latter two are in a secured portion of the site that requires a Username and a Password. For each person, indicate whether you want the out of town address secured to the Public (P), Residents (R), or Administration (A) by circling P, R or A below. Even if you do not want the public or residents to see your out of town information, you are encouraged to provide the information with security set to A so that the Board can contact you in case of emergency.
