

Do Not Service Agreement

I would like to decline the following service/s provided by LMP the landscape contractor for Willowbend:

Do not trim any of my shrubs _____

Do not spray any weed killer on my plant beds _____

Do not provide fertilizer for my shrubs and plants _____

Do not trim small ornamental trees _____

In declining these services I accept the responsibility to maintain my property in accordance with the standards of Willowbend including:

1. maintain access areas to neighboring homes and for emergency ingress/egress.
2. maintain appropriate height and shape of shrubs and ornamental trees.
3. to insure that any pest infestation does not spread beyond my property.
4. removal of all plant debris for collection.
5. follow all county rules regarding fertilization and spraying.

I understand that this request is good for one calendar year only.

Your request must be submitted to the management company in September of each calendar year to be valid.

If your property does not maintain an appropriate standard you will be given a warning and will have 14 days to correct the situation or be removed from the list and LMP will resume contracted services.
