

Food and Necessity Drive! Thank You ALL!

Sandi and I want to thank all of the members of the Willowbend Community who contributed to help us collect food and necessities for those in need at this time. All the donations will be delivered to the Venice Fire Department who will act as a distributor of sorts to a variety of food pantries in the Venice area.

What was Collected?

Our hope that the community would see the need to help at this time proved to be just right. We collected more than **1,700 POUNDS** of food and necessities. Phenomenal.

Where?

This is our garage just before loading up to take things to Venice:

Once again, **Thanks so much for your support!**

HAPPY THANKSGIVING!
